## GSR RV PARK RULES

1. The Wi-Fi network is GSR-WIFI. There is no password.
2. Each RV site shall be used for recreational purposes only. Permanent residency is not permitted within the resort.
3. During the hours between 7PM and 7AM, guests must refrain from making any loud noises or creating disturbances. Motorcycles, vehicles or machinery that creates noise must not be operated in the park after 10 PM. Children under 18 must be under the direct supervision of the parent or sponsoring adult member at all times.
4. Barbecuing permitted in approved charcoal containers only, open fires are against local ordinances.
5. No smoking is allowed in any park buildings. Smoking is only allowed in outdoor designated areas and must be extinguished in the containers provided.
6. Travel Trailers over 10 years of age must have RV Park approval before arrival. Motorhomes and Fifth Wheel RVs over 20 years of age also must have RV Park approval before arrival.
7. Only one recreational vehicle permitted at each RV site. RVs must be occupied and attended overnight to be a guest.
8. Incoming RVs, motorhomes and travel trailers must be in good condition and self-contained. Due to the high standard of quality in the RV Park, pop-up trailers, tents or home-constructed units will not be permitted. RV Park management has the right to refuse use of sites to RVs which do not meet these criteria.
9. Vehicle/RV washing permitted during summer months only (with approval)
10. Dogs must be on a leash at all times, and walked in pet designated areas only. We do offer complimentary clean-up bags; please take advantage of them and clean up after your pets each time. Pets are not to be left unattended.
11. Respect every guest; please do not walk through other guest campsites.
12. Outside clotheslines, attaching ropes on trees, fences, posts, etc. is prohibited
13. Keep our Park clean - trash receptacles are located throughout the RV Park. If you are utilizing the trash cans, please make sure that you empty your trash into the trash cans, not along the sides.
14. The RV Park management must always have the most up to date contact information on file in case we need to contact you.
15. Damage to the RV Park property by tenants will be charged to their account.
16. Please do not remove the picnic tables from their designated space. Doing so will result in a removal fee
17. Vehicles containing livestock are prohibited.
18. Check out 11am

## RV PARK PET POLICY

1. Good behavior is required. Dogs of any breed that are hostile or aggressive will be asked to leave the campground, along with their owners.
2. Bring the leash. Dogs must be kept on leashes no longer than 6 feet when outside their owners' vehicles. Do not leave a tethered dog unattended.
3. Remember manners. Constant barking bothers other campers. If your pet is too vocal, you'll need to find other accommodations.
4. Please make sure to let us know you are bringing your furry friends. You can notify us by entering the number of pets in the 'Comments' of the online reservation form.
5. Pets need to be good neighbors, not excessively noisy, child friendly and non-aggressive (snarling, growling, jumping toward other people, etc., can scare other guests). If your pet becomes too un-neighborly, you may be asked to leave without a refund.
6. **Please clean up after your pet(s). We provide potty bags for your convenience. Stepping in a pet's deposit ruins the day for others. We monitor surveillance daily, and a \$50+tax clean-up fee will be charged each time we need to clean up after a pet.**
